**Erratum to: J Nanopart Res (2011) 13:5301–5309**  
**DOI 10.1007/s11051-011-0516-7**

This Erratum is to state that Dr Stuart Reid, SUPA, Institute for Gravitational Research, University of Glasgow, contributed as co-author to the paper ‘Entry

of large nanoparticles into cells aided by nanoscale mechanical stimulation’, published in the Journal of Nanoparticle Research Volume 13, Number 10 (2011), 5301–5309. However his name was accidentally missing from the initial author list.
