Acknowledgments We thank Viet-Thanh Pham and Sajad Jafari for pointing our attention on this error.

In the original article, a typing error occurs in each second equation of the set of Eqs. (9)–(11). One should add $-sh(x_1)$, $-sh(x_2)$ and $-sh(x_3)$, respectively, on each of these three equations as they are the copies of Eq. (7).

The results of the article remain the same as the simulations were carried out with the good equations.
