Erratum

To the article "Modeling of NMR spectra and signal assignment using real-time DFT/GIAO calculations," by P. A. Belyakov and V. P. Ananikov, Vol. **60**, No. 5, pp. 783—789, May, 2011.

In the original international version of the article, the first author's name was misspelled. It should read P. A. Belyakov instead of P. A. Belaykov.
