Correction to: Effluent composition prediction of a two-stage anaerobic digestion process: machine learning and stoichiometry techniques

Luz Alejo[1] · John Atkinson[2] · Constanza Arriagada[1] · Víctor Guzmán-Fierro[1] · Marlene Roeckel[1]

Correction to: Environmental Science and Pollution Research (2018) 25:21149–21163
https://doi.org/10.1007/s11356-018-2224-7

The original publication of this paper contains a mistake. Unfortunately, an author was inadvertently missed out, Constanza Arriagada had participated in the operation of the anaerobic digesters cited in the work and now as a PhD student, she is involved in the production of other publication that comprise some results of the experiments published in the article we wrote.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at https://doi.org/10.1007/s11356-018-2224-7
