Owing to an unfortunate misunderstanding, a letter referring to an original article was published ahead of that article.

The letter (Mark Goedkoop: In response to "Criteria for the evaluation of life cycle assessment software packages and life cycle inventory data with application to concrete" by Seto et al. (2016), DOI 10.1007/s11367-016-1141-6) appeared on pages 1213–1214 of Volume 21, Number 8.

The article to which it refers (Karina E. Seto, Daman K. Panesar, Cameron J. Churchill: Criteria for the evaluation of life cycle assessment software packages and life cycle inventory data with application to concrete, DOI 10.1007/s11367-016-1060-6) was published online on 1 March 2016 and is included in the current issue.

We apologize sincerely for this mistake and for any inconvenience caused.
