The original version for this paper unfortunately contained an error.

On page 4 of the original version, the word “Silver” found in the line that reads “In 2017, he was further awarded the Silver Award under the category of “Ethical Leadership” and the Silver Award under the category of “Sustainability” in the QS Reimagine Education Awards” should be “Gold”.

The correct sentence is now “In 2017, he was further awarded the Silver Award under the category of “Ethical Leadership” and the Gold Award under the category of “Sustainability” in the QS Reimagine Education Awards.”
