The original publication's Fig. 6 caption was incorrectly written as "Fig. 6 Distribution of annual NO_x concentrations (a). Distribution of annual NO_x concentrations (b). Distribution of 8-h CO concentrations (c)". The correct caption should read "Fig. 6 (a) Distribution of 8-h CO concentrations (b) Distribution of annual NO_x concentrations (c) Distribution of annual HC concentrations".

The original publication was updated.
