The citation (Bigi 2017) and the reference listed in the “Further Reading” section contains an error. The author name “Bigi” should be “Bigl”. The correct reference appears below:

Bigl, B. 2017. Fracking in the German press: Securing energy supply on the eve of the ‘Energiewende’ – A quantitative framing-based analysis. *Environmental Communication*, 11, 231–247.
