**Correction to: Radiological Physics and Technology**

<https://doi.org/10.1007/s12194-018-0444-7>

The original version of this article unfortunately contained a mistake. Figure 2 was published with fake signals in panels (a) and (b) which are corrected in this Erratum. The authors are not responsible for this procedural lapse.

The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s12194-018-0444-7>.
