Correction to: Annals of Telecommunications

<https://doi.org/10.1007/s12243-018-0680-1>

Table 2 was incorrectly captured in the original article, the correct Table 2 is shown below.

The original article has been corrected.

Table 2 Average values of RSRP and TX power (both in mW)

| | | RSRP ($\times 10^{-6}$ mW) | | TX power (mW) | |
|------|----|-----------------------------|-----------|---------------|-----------|
| | | Annecy | Amsterdam | Annecy | Amsterdam |
| AZQ | SC | 0.020 | 0.398 | 13.18 | 3.31 |
| | MC | 0.0006 | 0.039 | 40.74 | 41.88 |
| JDSU | SC | 0.006 | 0.251 | 28.12 | NA |
| | MC | 0.0005 | 0.020 | 61.80 | 87.90 |
