This is to inform you that the following sentence was inadvertently omitted from the final version of <https://doi.org/10.1007/s12369-019-00567-2>

The first sentence of the editorial should have read:

“We are extremely pleased to announce that our journal is celebrating its 10th anniversary! It’s been now 10 years of exciting research on social robots, building a community

and a vision that will last for many years ahead. Now we are entering the age of adolescence and we hope that it will smoothly bring us to maturity. Thank you to all contributors to our journal for making it grow, we are looking forward to the next decade!”
