Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

In the original publication the caption of Fig. 6a and 6b is incorrectly published. The correct caption of Fig. 6a and 6b should be read as “Linear relations between ¹³⁷Cs concentrations in body without head and internal organs and **a** ¹³⁷Cs concentrations in the head and internal organs or **b** ¹³⁷Cs concentrations in whole body. Table 1 presents abbreviations. *X* and *Y* axes have logarithmic scales”. The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s12562-018-1280-8>.
