The author regret that, in the section “Dietary treatments” the sentence “Ketogenic diet is the gold standard therapy for Glut 1 deficiency and pyruvate kinase deficiency but it can be also applied in severe drug-resistant epileptic encephalopathies [4].” is not correct.

The correct sentence is “Ketogenic diet is the gold standard therapy for Glut 1 deficiency and pyruvate dehydrogenase

deficiency but it can be also applied in severe drug-resistant epileptic encephalopathies [4].”

The author would like to apologize for any inconvenience caused.
