**Correction: Infection (2022) 50:1565–1572**  
<https://doi.org/10.1007/s15010-022-01938-0>

The original version of this article unfortunately contained a mistake. In the author list, the first and last names were incorrectly structured. The corrected author list is given above.

Further in Fig. 1 of this article there was an error: 7 (not 1) (87.5%) were HDV-RNA negative; the figure (Fig. 1) should have appeared as shown below.

The original article has been corrected.
