

Erratum to: Surfactants in Acute Respiratory Distress Syndrome in Infants and Children: Past, Present and Future

Angela Amigoni¹ · Andrea Pettenazzo¹ · Valentina Stritoni¹ · Maria Circelli²

Published online: 6 June 2017
© Springer International Publishing Switzerland 2017

Erratum to: Clin Drug Investig DOI 10.1007/s40261-017-0532-1

The following correction should be noted:

Key Points, last sentence, which previously read:

There are reliable real-world data showing poroctant alfa is effective and well tolerated in children/infants with ARDS.

Should read:

There are reliable real-world data showing poractant alfa (Curosurf[®]) is effective and well tolerated in children/infants with ARDS.
