

ACKNOWLEDGEMENT TO REFEREES

© Springer International Publishing AG, part of Springer Nature 2017

Dear Reader,

As we reach the final issue of *PharmacoEconomics* for 2017, we wish to reflect on another successful year's achievements, and to thank all those who have contributed their time and effort to guarantee the high quality of our content.

2017 was a successful year for *PharmacoEconomics*, with the journal achieving its highest ever Impact Factor (3.63).

Other journals in the Adis Premier Journals Portfolio (<http://www.springer.com/gp/adis>) continue to prosper, and this year has seen the successful launch of our sister journal *PharmacoEconomics - Open*. The journal has published a full volume of 30 articles in its first year, plus many more online first. The open-access journal focuses on cost and health outcomes associated with drugs, devices and other healthcare interventions.

We thank the authors who have contributed articles to *PharmacoEconomics* over the course of 2017. The skill and dedication of all authors are critical to the continued publication of the journal. The quality of published articles is also testament to the significant efforts of the peer reviewers, whose commitment ensures that the journal's content is held to the highest possible standard. We would like to thank the following individuals who acted as reviewers for *PharmacoEconomics* in the last 12 months:

In addition, we would like to thank the members of the journal's Honorary Editorial Board, who have acted as peer reviewers and authors, and have provided guidance on journal content, policy and processes.

We do hope that you have found the articles published throughout the year in *PharmacoEconomics* to be interesting and informative. The editorial schedule for 2018 is well under way, and we are looking forward to bringing you many high-quality and authoritative articles over the coming year.

With best wishes,
Christopher Carswell and Timothy Wrightson
Co-Editors in Chief
