Correction to:
Shape Memory and Superelasticity (2019) 5:352–361
<https://doi.org/10.1007/s40830-019-00253-2>

In Reference 20, Alan Pelton was inadvertently omitted as an author. The title of the presentation has also been revised to match the conference program.

It should read as follows: “Launey M, Ong I, Pelton, A (2013) On the life fatigue of superelastic nitinol (an oral presentation). SMST 2013, Prague”

Publisher’s Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
