The original version of this article unfortunately contained two mistakes. On page 4, line 3, the year “2016” should read as “1976”. On page 9, line 13, the words: “in ant transition” should read as “in any transition”.

The original article can be found online at <https://doi.org/10.1007/s41247-019-0064-9>.
