

Correction to: The Collapse of North Korea

Correction to:

O. Tara, *The Collapse of North Korea*,
<https://doi.org/10.1057/978-1-137-59801-1>

The book was inadvertently published with the incorrect affiliation as “Pacific Forum, Center for Strategic & International Studies Arlington USA” in the copyright page, whereas it should be “Institute for Korean-American Studies, Washington, DC, USA”. This has been updated in the book.

The updated version of the book can be found at
