

## OMAN.

AN independent State in South-eastern Arabia extending along a coast line—S.E. and S.W.—of almost 1,000 miles from the Gulf of Ormuz, and inland to the deserts. Area, 82,000 square miles; population, 1,500,000. The capital, Muscat (60,000 inhabitants), was occupied by the Portuguese till the seventeenth century. After various vicissitudes it was taken in the eighteenth century by Ahmed bin Sa'eed, of Yemenite origin, who was elected Imam in 1741. His family have since ruled. The present Sultan is Seyyid I'eyyal bin Turki, second son of the late Seyyid Turki bin Sa'eed bin Sultan, who succeeded his father June 4, 1888, and has now been formally recognised by the British Government. In the beginning of the present century the power of the Imam of Oman extended over a large area of Arabia, the islands in the Persian Gulf, a strip on the Persian coast, and a long strip of the African coast south of Cape Guardafui, including Socotra and Zanzibar. On the death of Sultan Sa'eed in 1854 Zanzibar was detached from Oman and placed under the rule of the second son, and subsequent troubles curtailed the area of the state in Asia. The closest relations have for years existed between the Government of India and Oman, and a British Consul or Political Agent resides at Muscat. Oman is practically on the footing of an independent Indian native State, and essentially under British protection. The authority of the Sultan does not extend far beyond Muscat.

The revenue of the Sultan amounts to about 200,000 dollars.

The exports in 1889-90 were valued at 1,406,605 dollars; chiefly dates, 548,000 dollars; cotton fabrics, 140,000 dollars; rice, 60,000 dollars; salt, 65,000 dollars; pearls, 80,000 dollars; fruits, 30,000 dollars. The imports were valued at 1,997,726 dollars, chiefly rice, 604,443 dollars; sugar, 67,630 dollars; coffee, 81,984 dollars; cotton stuff, 225,765 dollars; salt, 70,000 dollars; pearls, 105,725 dollars. The imports from India were valued at 1,388,403 dollars; Persian Gulf, 373,004 dollars; South Arabia and Africa, 194,394 dollars; United States, Mauritius, and Singapore, 41,925 dollars.

Vessels entered and cleared the port of Muscat in 1889-90, 419 of 138,820 tons, of which 94 of 112,500 tons were European and American.

Administration Report of the Persian Gulf Political Residency for 1889-90. Calcutta, 1890.
