We appreciate this yearly opportunity to thank our reviewers. *As this will be our last year as Editors of JPHP, we thank all of the reviewers with special emphasis!* The single-most challenging task we have as journal editors is finding colleagues willing to review submissions and to complete the reviews.

Reviewers give us advice and help the authors of promising submissions to make them better. We received 413 submissions in the calendar year 2018 from at least 50 countries and sent 111 of them to the 85 outside reviewers listed below. Our authors regularly express their gratitude for the constructive guidance.

The countries include Afghanistan, Australia, Austria, Bahrain, Bangladesh, Canada, China, Congo (Democratic Republic Of The), Croatia, Denmark, Ecuador, Egypt, Ethiopia, France Germany Greece, Hong Kong, India, Indonesia, Iran, Ireland, Israel, Italy, Japan, Kazakhstan, Kenya, Korea (south, Republic Of), Macau, Malaysia, Mexico, Netherlands, Nigeria, Oman, Pakistan, Portugal, Romania, Saudi Arabia, Serbia and Montenegro, South Africa, Spain, Sweden, Switzerland, Taiwan, Thailand, Togo, Turkey, Uganda, United Kingdom, and the United States of America.

We thank all JPHP reviewers for the invaluable help. Several of those we list below provided more than one review; Roy Widdus completed 8—this year’s record. Again, thanks to all.
