Correction to: efficacy and safety of the switch of Triumeq[®] to generic (abacavir + lamivudine) + Tivicay[®]: data at 24 weeks

Julián Olalla^{1*}, Javier Pérez-Stachowski¹, Begoña Tortajada², Alfonso Del Arco¹, Efrén Márquez², Javier De la Torre¹, Miriam Nieto², José María García de Lomas¹, José Luis Prada¹ and Javier García-Alegría¹

Correction to: *BMC Pharmacol Toxicol* 19, 63 (2018).

<https://doi.org/10.1186/s40360-018-0252-z>

The original publication of this article did not provide clear clarification that the switch from brand to a generic drug was not done by the authors for the intention of the study. Patients were informed of the options and on switching to generic drugs the patients were able to expressed their agreements or disagreements, those who expressed their disagreement continued with their regimen.
