Received 15 March 2015

On pages 523 and 524 of the original article by Vančo et al. (2015), incorrect Figs. 3 and 4 were published. Correct figures are given below. Editors wish to

apologize to the authors and readers for this mistake in the published article.

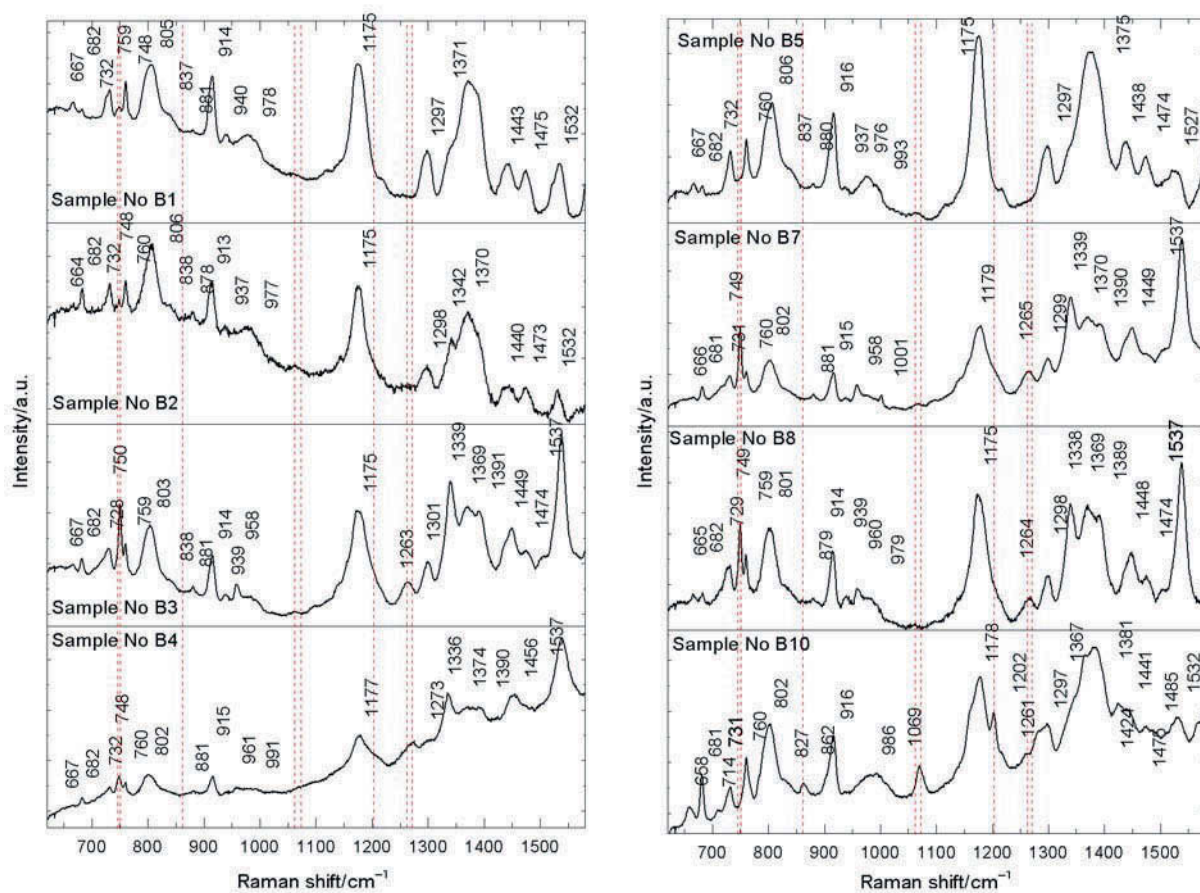

Fig. 3. SERS spectra of blue inks from group B (ballpoint pens) B1–B4 (left) and B5–B10 (right) in the range from 620 cm⁻¹ to 1580 cm⁻¹. Dashed vertical lines represent the bands discussed in Table 2.

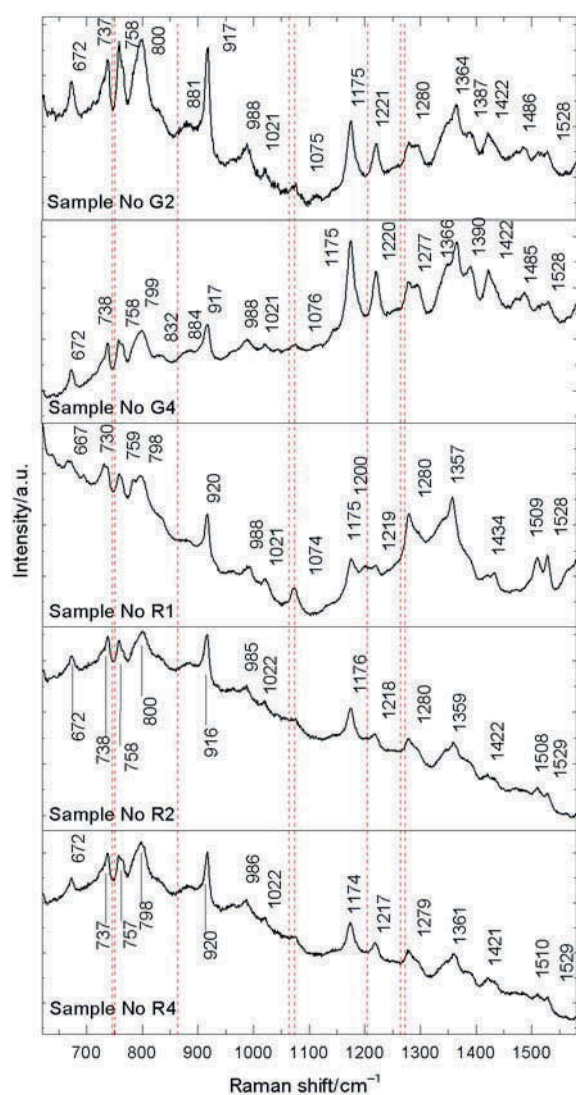

Fig. 4. SERS spectra of blue inks from group G (gel pens) and R (rollerball pens) in the range from 620 cm⁻¹ to 1580 cm⁻¹. Dashed vertical lines represent the bands discussed in Table 2.

The authors apologize for the typing errors in Table 1. Words “Ballpoit pens“ should be replaced by “Ballpoint pens“.
