

Effect of electric current direction on recrystallization rate and texture of a Cu–Zn alloy– CORRIGENDUM

Xinli Wang, Wenbin Dai, Chongwei Ma, and Xiang Zhao

doi: 10.1557/jmr.2013.86, Published by Materials Research Society with Cambridge University Press, 16 May 2013.

In Wang et al.,¹ page 1382, paragraph 2, line 6, Eq. 1 reads:

$$\Delta T = \frac{\int_0^{t_d} j(t) \rho dt}{c_p d} .$$

It should read:

$$\Delta T = \frac{\int_0^{t_d} j^2(t) \rho dt}{c_p d} .$$

The authors regret the mistake.
