

CORRIGENDUM

Surfactant-mediated self-assembly of Sb_2S_3 nanorods during hydrothermal synthesis – CORRIGENDUM

Mou Pal, Nini R. Mathews, and Xavier Mathew

doi: 10.1557/jmr.2016.470, Published by Materials Research Society with Cambridge University Press, 20 December 2016.

In Pal et al.¹, the authors wished to thank Rogelio Moran Elvira for taking SEM images in the Acknowledgments section.

The authors regret this omission.
