

Notes

1 Introduction

1. Following the convention, throughout the text, the study of international relations as an academic endeavor will be referred to as IR, in capitals, while the object under study is named either international relations, international affairs, international politics, or world politics, in small letters. International relations theory is sometimes abbreviated as IR theory.
2. See for an overview Zacher, Mark W., and Richard A. Matthew. "Liberal International Theory: Common Threads, Divergent Strands." In *Controversies in International Relations Theory: Realism and the Neoliberal Challenge*. Edited by C.W. Kegley Jr. New York: St. Martin's. 1995. pp. 107–150.
