Notes

2 The European REIT Industry

1. All data for the analysis are collected thorough Scenari Immobiliari's database, available at www.scenari-immobiliari.it (accessed October 1, 2013).
2. In Africa, only one country (South Africa) has listed REITs available.
3. For the full list of the top ten REITs, see Table A.3 in the Appendix.
4. An analysis of the market values of REOCs cannot be carried out because they are unlisted in many European countries.
5. For the full list of the top ten REITs, see Table A.3 in the Appendix.

4 The Role of the Weekend Effect in European REITs

1. For further details of the REITs analyzed, see Table A.1 in the Appendix.
2. Results of the Hausman test are omitted from the book but are available upon request.

5 Monthly Calendar Anomalies

1. For a full list of holidays considered, see Table A.2 in the Appendix.

6 The Impact of the Turn of the Month on European REIT Markets

1. For further details of the REITs analyzed, see Table A.1 in the Appendix.
2. Results of the Hausman test are omitted from the book but are available upon request.
3. For further details see Table 5.1 in Chapter 5.

7 The Time of the Month Effect for European REIT Investors

1. For further details of the REITs analyzed, see Table A.1 in the Appendix.
2. Results of the Hausman test are omitted from the book but are available upon request.

8 The Holiday Effect and REITs in Europe

1. For further details of the REITs analyzed, see Table A.1 in the Appendix.
2. Results of the Hausman test are omitted from the book but are available upon request.

9 The Friday 13th or Friday 17th Effect for European REIT Investors

1. For further details of the REITs analyzed, see Table A.1 in the Appendix.
2. Results of the Hausman test are omitted from the book but are available upon request.

11 The January Effect in European REITs

1. For further details see Section 2.2.
2. Results of the Hausman test are omitted from the book but are available upon request.

12 Is there a Halloween Effect in the European REIT Market

1. For further details see Section 2.2.
2. Results of the Hausman test are omitted from the book but are available upon request.
