

## CONTRIBUTORS

**Vina Adriany**, PhD, is a lecturer and researcher in Department of Early Childhood Education, Faculty of Educational Sciences at the Indonesia University of Education. She holds her PhD from Department of Educational Research, Lancaster University, UK. She is also a member of Centre for Women's Studies at her university. Her research interests include gender issues in early childhood education, multicultural issues, human capital, and applying poststructuralist perspective into early childhood education. She can be contacted at [vina@upi.edu](mailto:vina@upi.edu)

**Alejandro Azocar**, PhD, is an assistant professor of English as a second language at the University of West Alabama–Livingston.

**Sabiha Bilgi**, PhD, is an assistant professor in the Department of Elementary Education at Abant Izzet Baysal University in Turkey. She may be contacted at [sbilgi@ibu.edu.tr](mailto:sbilgi@ibu.edu.tr)

**Marianne Bloch**, PhD, is a professor emerita from University of Wisconsin–Madison. Her research interests are critical early childhood education. She is a founding member of Reconceptualizing Early Childhood Education.

**Emma Buchanan** is a PhD candidate at the University of Melbourne, Australia. Her PhD study is exploring historically shifting kindergarten pedagogies in Aotearoa, New Zealand. The study considers the effects of changing national and international progressive and critical narratives of early childhood education in relation to questions of child subjectivity. Prior to taking up postgraduate study, Emma worked as an early childhood teacher in New Zealand.

**Cary A. Buzzelli**, PhD, is a professor of early childhood education at Indiana University. His current research focus is on the implications of the capabilities approach for early childhood education. With Bill

Johnston he coauthored the book, *The Moral Dimensions of Teaching: Language, Power and Culture in Classroom Interactions*.

**Hong-Ju Jun**, PhD, is an assistant professor of early childhood education at the Sungshin Women's University, Korea.

**Janice Kroeger**, PhD, is an associate professor and program coordinator at Kent State University, Ohio.

**I-Fang Lee**, PhD, is a senior lecturer at the University of Newcastle, Australia.

**Theodora Lightfoot-Rueda**, PhD, is a founding researcher with Interdisciplinary Institute for research in the Social Sciences and Education (IISSE).

**Zsuzsa Millei**, PhD, is a postdoctoral researcher at Space and Political Agency Research Group (SPARG)—University of Tampere, Finland, and senior lecturer at the University of Newcastle, Australia. Email: Zsuzsa.Millei@staff.uta.fi

**Ruth Lynn Peach**, PhD, is an adjunct instructor at National Louis University in Chicago, Illinois, and is a founding researcher at the IISSE. She can be contacted at [ruth.peach@nl.edu](mailto:ruth.peach@nl.edu).

**Kurniawan Saefullah**, PhD, is a lecturer and researcher at Faculty of Economics, Universitas Padjadjaran. He can be contacted at [kurniawan.saefullah@fe.unpad.ac.id](mailto:kurniawan.saefullah@fe.unpad.ac.id)

**Chao-Ling Tseng** is a PhD candidate at the University of Wisconsin—Madison, United States.

**Joseph Zanoni**, PhD and MILR, is the director of continuing education and outreach for the Illinois Occupational and Environmental Health and Safety Education and Research Center (ERC), University of Illinois at Chicago School of Public Health.
