## About the Author

Dr. Jacco J.J. Thijssen graduated in Econometrics from Tilburg University, Tilburg, The Netherlands in 1999. In the same year he also completed the Master's Program in Economics from CentER at the same university. After that, he carried out his Ph.D. research at the Department of Econometrics & Operations Research, and CentER at Tilburg University. Since September 2003 he is affiliated as a Lecturer in Economics with the Department of Economics at Trinity College Dublin, Dublin, Ireland.
