A

Academic approach (AA)
 abstract concepts, understanding of, 410
 children's knowledge and skills, 413
 mathematical concepts, 410–412, 414
 teachers qualification, 412
ACARA. *See* Australian Curriculum, Assessment and Reporting Authority (ACARA)
Adaptability
 allocation, 176
 case study, 171–172
 contribution, 176
Additive property (AP) principle, 291
Algebra
 definition, 274
 and mathematical skills, 273–274
 patterns, 273–274
Algebraic thinking, young children
 algebraic reasoning, development of, 310
 arithmetic to algebra, transition, 309–310
 conservation of equivalence, 319
 early algebraic reasoning, students, 310
 equal sign, 321
 intuitive thinking, 317–318
 intuitive understanding (visual perception), 316–317
 logico-mathematical thinking, 320
 logico-physical thinking, 320
 mathematical equivalence and equality, 310–312
 measurement model to verify equivalence, 318–319
 method, 313–314
 numerical competence, development of, 321

 procedural understanding (counting), 315–317
 results, 314
Algorithmic reasoning (AR), 161
AR. *See* Algorithmic reasoning (AR)
Argumentation, 160, 162, 163
Attachment, 204–205, 208–210, 214, 217–219
 attachment system, 205
 nonattachment activities, 205
 theory of attachment, 204–205
Artefact-centric activity theory, 294
Australian Curriculum, Assessment and Reporting Authority (ACARA), 119
Autonomy, 32, 175, 182, 238

B

Balance game, 242–243
 affordances, 250–252
Basic interpersonal communication skills (BICS), 104
Belonging, Being and Becoming: The Early Years Learning Framework for Australia (EYLF), 326–327
BICS. *See* Basic interpersonal communication skills (BICS)
Big Math for Little Kids, 7
Bishop's 6 mathematical activities, 45, 238, 271
 counting, 45, 243
 designing, 45
 explaining, 45
 locating, 45
 measuring, 45, 243
 playing, 45, 143, 144, 145, 146, 147, 153, 271

- Block play
 adult mentor, 65, 66
 adviser, 66, 69
 chosen card and built construction, 64
 recording position and chosen card, 63
 set blocks and elevations, 68
 spatial relations and kinaesthetic imagery, 68–69
 supportive learning situation, 67
- British EPPE study (Effective Provision of Preschool Education), 420
- Bruner, J.
 folk psychology and folk pedagogy, 175
 narrative and formal discourse, 176, 181–182
- Building Blocks*, 7, 8
- C**
- Cognitive academic language proficiency (CALP), 104
- Cognitive Affective Mathematics Teacher Education (CAMTE) Framework, 327–328, 331–332, 338
 teacher-educators (TEs), role of, 329
- Collective reasoning, 162–164
- Community of practice
 legitimate peripheral participant, 67, 69, 204
- Comparing competencies
 conservation, tools, 364, 365
 direct comparison, 363, 364
 indirect comparison, 360–363
 procedural and conceptual knowledge, 359
 unit iteration, 366
 using idea of unit and proportionality, 366–368
- Complementary learning environment (CLE)
 educators and teachers cooperative activities, 97
 individual learning processes, 96
 number relations, 96
 transition, 95
- Comprehensive approach (CA)
 children's behaviour and interests, 409
 children's self-confidence, 408–409
 concept of subjectification, 407, 409–410
 mathematical goals, 408
 motor skills, imaginations, 407
- Conceptual subitising
 counting speed and understanding of cardinality, 372–373
 FoNS-related learning, 371, 377–378
 management of larger numerosities, 372
 spatial structuring, 372
- Congresses of European Research in Mathematics Education (CERME), 4
- Conservation of equivalence, 319
- Construction, 4, 9–15, 19–20, 25, 28, 37, 105, 133, 183–185, 272, 294, 312, 316, 320, 343, 400, 421, 427, 429, 432
- Cooperation, 60, 61, 71, 82, 207, 208, 213
- Creative Mathematically Founded Reasoning (CMR), 161, 167
- Creativity (mathematical)
 adaptiveness, 206
 combinational play, 205
 definition, 203
 interpersonal relations, 208–210
 non-algorithmic decision-making, 206
 social and sociocultural dimensions, 206–208
 “solid figure-situation”, 211–217
- Culturally situated learning, 46–47
- Curriculum, 19–23, 25, 31, 32, 35, 37, 44–46, 48, 51, 52, 81, 100, 108, 114, 141, 158, 328, 332, 337, 343, 373, 389, 397–399, 419
- Australian, 119–121, 123–127
