

# Index

## A

Agricultural cultures, 32  
Alaska Native people, 40–41  
Alaska Natives, 12, 37, 40  
Alcohol, 14, 50  
Allocentrics, 21  
Alphas rule, 120  
Alternative constructions, 95, 96, 100, 107, 123  
Anxiety, 56, 69  
Anxiety-buffering self-esteem, 45, 57  
Anxiety-prone, 124  
Attributions  
    behavioral repertoire, 112  
    elicitation, 111  
    historical contexts, 116  
    isomorphic, 110  
    self-serving, 84  
    situational explanations, 113  
    tendencies, 110

## B

Bafa-Bafa simulation, 110, 117, 118  
Behaviorist terms, 8  
Beta culture, 119  
Biological and Physiological needs, 33  
Buddhism, 38  
Buddhist, 38, 39

## C

Canonicity, 83  
Clash of Civilizations, 123  
Cocktail Party Universals, 21  
Cognitive orientation, 23, 99

Colonization, 69, 70, 73, 86  
Computer technology, 4  
Confucianism, 40, 55  
Congress of the International Association for  
    Cross-Cultural Psychology, 38  
Conjunctive tasks, 7  
Context sensitivity, 83  
Critical incident (CI), 110  
Cross-cultural psychology, 6  
Cultural empathy, 88  
Cultural knowledge and skills, 5  
Cultural orientation, 119  
Cultural recovery, 74, 75  
Cultural relativity, 120  
Cultural trauma  
    in Alaska, 70, 71  
    in Australia, 73, 74  
    ceremonial treatment, 68  
    characteristics, 69  
    genetic inheritance, 67  
    in Hawai'i, 72, 73  
    indigenous peoples, 68  
    Pacific, 72, 73  
    psycho-existential framework, 68  
    recovery, 67  
    self-esteem anxiety-buffer, 69  
    TMT, 67  
Cultural worldview (CWV), 68, 72  
Culture threats, 84, 85, 96, 98

## D

Death-thought accessibility (DTA), 11, 45, 60  
Decategorization, 23  
Decolonization, 80

Dehumanization, 23, 99  
*Denial of Death*, 8  
*Di zi jui*, 40  
 Diachronic universals, 20

## E

Ecological environment, 6  
 Ecological fallacy, 21  
 Eightfold Path, 11  
 Emics, 25, 26  
 Empathy, 85, 88, 90  
 Empirical tests, 55, 59–64  
 Esteem needs, 34  
 Ethno-Cultural Conflict, 100, 107  
 Ethologically-oriented universals, 20  
 Existential human concerns, 58  
 Existential perspective, 24, 56  
 Existential problem, 57, 73, 96, 124  
 Existential terror, 57, 62  
 Existential Threat Prejudice Reduction,  
 68, 98  
 Existentialism, 24

## F

Four Noble Truths, 38  
 Functional universals, 20  
 Fundamental attribution error (FAE), 113  
 Fundamentalism, 49–51

## G

Generativity, 96  
 Genericness, 83  
 Globalization, 7, 51, 57  
 Globalization and commercialization, 4  
 Grieving  
   ceremony, 75  
   community, 75  
   mechanisms, 73  
 Guarani Indians, 37

## H

Hawaiian Renaissance, 75, 76  
 Hermeneutic composability, 83  
 Heroic narratives, 73, 80  
 Heroism, 9  
 Historical narratives  
   denigration, 85  
   generations, 82  
   group identification, 80  
   humiliation, 85

  intercultural understanding, 79  
   stories, 76  
 Holocaust survivor, 34  
 Host culture, 12  
 Human condition  
   adaptive function, 27  
   aggression and violence, 23  
   behavioral prescriptions, 21  
   biological motive, 20  
   cross-cultural studies, 20  
   cultural and situational influences, 21  
   ecological fallacy, 21  
   ‘etic’ approach, 20  
   genotype, 26  
   pseudo-etic, 20  
   psychology, 19  
   stereotypical generalizations, 22  
   universals, 20  
 Human memory, 79  
 Human needs, 123  
   culture and psychological needs, 32–37  
   ecology and culture, 32  
   eightfold path, 39  
   five-stage model, 34  
   MiL, 36  
   physiological and psychological, 31  
   physiological needs and cultures, 31–32  
   responsibility and existential isolation, 35  
   SDT, 35  
   self-esteem, 33  
 Humiliation, 87

## I

Idiocentrics, 21  
 Idiosyncratic, 16  
 Immortality, 80, 84, 96, 97, 124  
 Immortality ideologies, 48, 49, 97, 98  
 Indigenous peoples, 12  
 Individualism and collectivism, 6  
 Individualism-collectivism, 112  
 Integrated threat theory, 98  
 Inter-cultural conflict, 96, 97  
 Intercultural relations  
   conflict and violence, 95  
   immortality ideologies, 97, 98  
   inter-cultural conflict, 96, 97  
   physical annihilation, 96, 97  
   social classes, 95  
   symbolic solutions, 96  
   TMT, 97  
 Intercultural sensitizers (ICS), 110, 120
