

## NOTES ON CONTRIBUTORS

Lu Ann Aday, Ph.D., is Associate Professor of Behavioral Science in the School of Public Health, University of Texas Health Science Center, Houston, Texas.

George J. Agich, Ph.D., is Associate Professor in the Departments of Medical Humanities, Philosophy, and Psychiatry and Director of the Ethics and Philosophy of Medicine Program, Southern Illinois University School of Medicine, Springfield, Illinois.

Robert Audi, Ph.D., is Professor in the Department of Philosophy at the University of Nebraska, Lincoln, Nebraska.

Mary Ann Baily, Ph.D., is Adjunct Associate Professor in the Department of Economics at George Washington University, Washington, D.C.

Charles E. Begley, Ph.D., is Assistant Professor of Economics in the School of Public Health, University of Texas Health Science Center, Houston, Texas.

David D. Friedman, Ph.D., is Associate Professor of Economics in the A.B. Freeman School of Business, Tulane University, New Orleans, Louisiana.

Robin D. Gorsky, Ph.D., is Assistant Professor in the Department of Health Administration and Planning, School of Health Studies, University of New Hampshire, Durham, New Hampshire.

Marc D. Hiller, Dr.P.H., is Associate Professor in the Department of Health Administration and Planning, School of Health Studies, University of New Hampshire, Durham, New Hampshire.

Albert R. Jonsen, Ph.D., is Professor of Ethics in Medicine in the Department of Medicine, School of Medicine, University of California, San Francisco, California.

Michael M. Kaback, M.D., is Professor of Pediatrics and Medicine and Associate Chief, Division of Medical Genetics, U.C.L.A. School of Medicine, Harbor-U.C.L.A. Medical Center, Los Angeles, California.

Paul T. Menzel, Ph.D., is Professor of Philosophy at Pacific Lutheran University, Tacoma, Washington.

E. Haavi Morreim, Ph.D., is Assistant Professor in the Department of Human Values and Ethics, College of Medicine, University of Tennessee Health Sciences Center, Memphis, Tennessee.

Marc J. Roberts, Ph.D., is Professor of Political Economy and Health Policy in the Department of Health Policy and Management, School of Public Health, Harvard University, Cambridge, Massachusetts.

Stuart F. Spicker, Ph.D., is Professor of Community Medicine and Health Care, School of Medicine, University of Connecticut Health Center, Farmington, Connecticut.

J. Michael Swint, Ph.D., is Professor of Economics, School of Public Health, University of Texas Health Science Center, Houston, Texas.

Peter S. Wenz, Ph.D., is Associate Professor of Philosophy at Sangamon State University, Springfield, Illinois.

Gerald R. Winslow, Ph.D., is Professor of Religion at Walla Walla College, College Place, Washington.

## INDEX
