---

### **Oesophageal Disease**

Topics in Gastroenterology 4, ed. Truelove & Ritchie (Oxford: Blackwell Scientific Publications)

Clinics in Gastroenterology vol. 5, no. 1, Disorders of Oesophageal Motility, ed. Atkinson (New York: W. B. Saunders)

### **Peptic Ulcer**

Topics in Gastroenterology 1, ed. Truelove & Jewell (Oxford: Blackwell Scientific Publications)

Topics in Gastroenterology 7, ed. Truelove & Willoughby (Oxford: Blackwell Scientific Publications)

Topics in Gastroenterology 6, ed. Truelove & Heyworth (Oxford: Blackwell Scientific Publications)

### **Gastrointestinal Haemorrhage**

Clinics in Gastroenterology vol. 10, no. 1, Gastrointestinal Emergencies, ed. Torsoli (New York: W. B. Saunders)

Topics in Gastroenterology 3, ed. Truelove & Goodman (Oxford: Blackwell Scientific Publications)

### **Irritable Bowel Syndrome**

Topics in Gastroenterology 1, ed. Truelove & Jewell (Oxford: Blackwell Scientific Publications)

Clinics in Gastroenterology vol. 6, no. 3, The G. I. Tract in Stress and Psychological Disorder, ed. Almy & Fielding (New York: W. B. Saunders)

### **Inflammatory Bowel Disease**

Topics in Gastroenterology, 1, ed. Truelove & Jewell (Oxford: Blackwell Scientific Publications)

Topics in Gastroenterology, 8, ed. Truelove & Kennedy (Oxford: Blackwell Scientific Publications)

**Coeliac Disease**

Topics in Gastroenterology, 4, ed. Truelove & Ritchie  
(Oxford: Blackwell Scientific Publications)

Immunology of the G. I. Tract, ed. Asquith (Edinburgh:  
Churchill Livingstone)

**Liver & Biliary System – General**

Liver & Biliary Disease, ed. Wright, Alberti, Karvan &  
Millward-Sailler (New York: W. B. Saunders)

Diseases of Liver & Biliary System, Sherlock (Oxford:  
Blackwell Scientific Publications)

**Hepatitis**

Topics in Gastroenterology, 3, ed. Truelove & Goodman  
(Oxford: Blackwell Scientific Publications)

Topics in Gastroenterology, 4, ed. Truelove & Ritchie  
(Oxford: Blackwell Scientific Publications)

Topics in Gastroenterology, 6, ed. Truelove & Heyworth  
(Oxford: Blackwell Scientific Publications)

**Drugs and the Liver**

Topics in Gastroenterology, 5, ed. Truelove & Lee (Oxford:  
Blackwell Scientific Publications)

**Gastrointestinal Cancer**

Cancer of the G. I. Tract. Clinics in Gastroenterology vol. 5,  
no. 3, ed. Sherlock & Zamcheck (New York: W. B.  
Saunders)

**Gastroenteritis**

Infections of the G. I. Tract. Clinics in Gastroenterology, ed.  
Lambert (New York: W. B. Saunders)

**The Acute Abdomen**

Gastrointestinal Emergencies. Clinics in Gastroenterology,  
ed. Torsoli (New York: W. B. Saunders)
