

Postscript

On March 21, 2014, the Zhejiang Academy of Social Sciences convened a meeting with the participation of relevant personnel from the Academy to officially arrange the work on building the research groups for various volumes concerning the major program “The Chinese Dream and Zhejiang’s Practice”, and designate the research fellow Chen Ye, the Editor in Chief of the Editorial Department of the Academy’s *Think Tank Report* to serve as the deputy leader of the Culture Group. During the period of April 9–12, the members of the Research Group who came from Zhejiang’s side intensively studied the two works of comrade Xi Jinping—*Carrying Out Concrete Work to Stay Ahead—Thinking and Practice in Promoting New Development in Zhejiang*, *Zhijiang Xinyu*, and his series of important speeches since the 18th National Congress of the Communist Party of China. The research fellow Chen Ye—a member of the Culture Group, and the associate research fellow Zhou Jing—the editor of the Academy’s *Think Tank Report*, attended this meeting. In the charge of the research fellow Ge Licheng, a vice president of the Academy responsible for the work, the research fellow Chen Ye worked out the first draft of the outline for writing the Culture Volume, which was delivered to the Research Group for discussion on April 11.

On April 22, the first plenary meeting of the Research Group of “The Chinese Dream and Zhejiang’s Practice” was held in Hangzhou. The research fellow Xie Dikun, the leader of the Culture Group and the Director of the Institute of Philosophy at the Chinese Academy of Social Sciences, the research fellow Zhang Xiaoming, the Executive Deputy Director of the Cultural Research Center of the Chinese Academy of Social Sciences, the research fellow Jia Xudong, the Deputy Director of the Cultural Research Center of the Chinese Academy of Social Sciences, the research fellow Chen Ye, an expert from Zhejiang’s side, professor Chen Lixu, the Director of Education at the Zhejiang Party School of C.P.C (the then Director of the Teaching and Research Office for Sociology and Culturology), Wang Zheng, the Deputy Director of the Office of the Zhejiang Academy of Social Sciences, and the associate research fellow Chen Jing convened the first meeting of the Culture Group, discussing the composition of members, tasks, the first draft of

writing an outline and the plan for field surveys. Afterwards, repeated consultation and exchanges were conducted between Beijing and Zhejiang with respect to relevant matters. During this period, professor Li Jie, the Vice Dean of the College of Media and International Culture, Zhejiang University, associate professor Zhang Hongling from the Teaching and Research Office for Sociology and Culturology at the Zhejiang Party School of the C.P.C and other experts from Zhejiang's side joined the Culture Group. On June 3, the writing of the outline was finished.

On the morning of June 11, the Research Group convened the review meeting on the writing of the outline for the Culture Volume, with participation of the research fellow Chen Ye, professor Li Jie and the associate research fellow Zhou Jing from the Culture Group, who were the experts from Zhejiang's side. The reviewing experts Hu Jian, Zhang Weibin, Jin Yanfeng, Mao Yue, Shao Qing, Ma Lihong, and Sheng Shihao put forward pertinent and detailed suggestions about revision on the basis of basically affirming the outline. According to expert opinions, the Culture Group adjusted and revised the outline. Thus the outline was basically finalized on the basis of having been revised more than ten times.

After the Research Group of "The Chinese Dream and Zhejiang's Practice" convened the first plenary meeting, entrusted by the research fellow Xie Dikun, the research fellow Zhang Xiaoming organized the pre-survey preparatory work of the experts from Beijing's side, and convened a meeting to discuss the issues concerning the survey in Zhejiang, preliminarily determine the members of the Research Group according to the objective and requirements of the survey, identify the survey priorities and direction, and arrange the work on collecting and reorganizing the preliminary materials.

During the period of June 23–28, the Culture Group conducted field surveys in such counties, county-level cities (districts) as Hangzhou, Quzhou, Jinhua, Jiangshan, Kecheng, Longyou, Dongyang and Pujiang, and the provincial cultural publicity circles, while the research fellow Chen Ye and the Deputy Director Wang Zheng organized the preparatory and concrete work on field surveys. The research fellow Zhang Xiaoming; the editor and reviewer Wu Shangming, the Deputy Director of the Cultural Research Center of the Chinese Academy of Social Sciences, the research fellow Chen Ye, professor Chen Lixu, professor Li Jie, the Deputy Director Wang Zheng, the associate research fellow Hui Ming, the assistant to the Director of the Cultural Research Center of the Chinese Academy of Social Sciences, the associate research fellow Zhou Jing and the assistant research fellow Zu Chunming from the Cultural Research Center of the Chinese Academy of Social Sciences participated in survey activities. The survey activities were actively supported and assisted by the leaders and experts from relevant areas and departments. During the surveys in Quzhou, Jinhua and Hangzhou, the Culture Group held talks with the representatives from the departments of publicity under local municipal Party committees, the departments directly under these Party committees, the cultural publicity circles in the counties (city-level cities, districts), conducted the activities of inspecting, visiting and interviewing. In the surveys in the provincial cultural publicity circles, the personnel in charge of relevant divisions in the Department of Publicity under the Party Committee of Zhejiang Province, the

Civilization Office of Zhejiang Province, the Department of Culture, the Press, Publication, Radio and Television Bureau, the Bureau of Statistics of Zhejiang Province, the Zhejiang Writers Association, the Zhejiang Federation of Literary and Artistic Circles, the Zhejiang Daily Press Group, the Zhejiang Radio & TV Group, the Zhejiang United Publishing Group, and the Zhejiang Culture Center introduced to the Culture Group the progress in various fields of Zhejiang's cultural development in recent years, and provided abundant materials and cases.

During the surveys, the Culture Group held two meetings. The first meeting focused on the outlines of various chapters to determine the framework for the writing, and identify the survey priorities concerning various chapters and the requirements for staged progress. The second meeting focused on discussing the primary-level cultural development and the work on rural cultural auditoriums in Zhejiang in light of surveys, and exchanged views, clarified the train of thought and requirements for further revising and substantiating the outline of the writing. With arrangements made by Director Xie Dikun, professor Wu Xibiao, the Head of the Scientific Research Division at Quzhou University, associate professor Wei Junjie and others joined the Culture Group. Thus the personnel of the Culture Group were fully put in place.

After surveys, based on fully analyzing survey materials, in the charge of the research fellow Zhang Xiaoming, the Research Group on Beijing's side—including the research fellow Li He from the Cultural Research Center of the Chinese Academy of Social Sciences, the editor and reviewer Wu Shangmin, the associate research fellow Hui Ming, the assistant research fellow Zu Chunming and others—carried out repeated discussions and in-depth studies to basically develop the Introduction and the outline of the writing for Chap. 9, and determined the writing tasks and scheduling. During the writing, they exchanged views on problems by telephone, email and other means on many occasions to improve the train of thought on the writing.

On Zhejiang's side, in the charge of the research fellow Chen Ye, the Research Group held many discussions and consultations about the division of work, the train of thought, rules of style, the collection of material, the selection of the content, and the summarization of the points of view. Chen Lixu, Li Jie, Wu Xibiao, Zhou Jing, Zhang Hongling, and Wei Junjie undertook the research and writing tasks for Chaps. 2–8.

The experts from Beijing and Zhejiang worked closely, exchanged views, and supplemented materials and data, basically finishing the first draft in the middle of October. The research fellows Zhang Xiaoming and Chen Ye reviewed the first draft many times, and put forward revision opinions on style, content, materials, data and points of view. The authors actively cooperated and made repeated revisions, and they also made many great adjustments and revisions to some chapters to work out the second draft.

In November, the Culture Group received the review opinions and feedback from the reviewing experts including Hu Jian, Jin Yanfeng, Lian Xiaoming, and Chen Xianchun. On the morning of November 29, the research fellow Chen Ye organized the experts from Zhejiang's side to hold discussions, further improve the

main line of writing, discuss the revision opinions and suggestions from the experts on a chapter-by-chapter basis, and to identify the revision requirements. With careful revisions by the authors, the third draft was finished.

During the period of December 5–8, the Research Group convened a meeting on the final compilation and editing of various volumes, the research fellow Chen Ye dealt with overlaps and repetitions, supplemented content and materials, deleted and pruned the texts, checked the data, and carried out other final compilation and editing work on the third draft of the Culture Volume, feeding back some matters to authors for revision. The associate research fellow Zhou Jing provided assistance and coordination, and carried out much of the work. After final compilation and editing, the fourth draft was finished.

As the writing of the Culture Volume is finished and the Culture Volume is about to be published, we hereby express our heartfelt thanks to the leaders of relevant departments—including the Chinese Academy of Social Sciences, the Department of Publicity under the Party Committee of Zhejiang Province, and the Zhejiang Academy of Social Sciences—who provided great support to us during the research on the subject, and the above leaders, experts and scholars who provided direct guidance to us, as well as all of the personnel who helped us in research but are not mentioned due to a limitation of space.
