

# Index

## A

- Absolute Income, 9, 17, 36–38, 50, 57, 59, 71, 72, 77–80, 83–85, 87, 90, 92, 93, 95, 97, 99, 102–104
- Ageing, 10, 104, 165
- Age-Period-Cohort Analysis, 8, 15, 19
- Ancestor worship, 10, 151–157, 159–161, 163, 164, 166, 167
- annon-byō* (tomb of repose), 165
- Assortative marriage, 11, 171, 173–175, 177, 187, 189, 190
- Australia, 11, 50, 193–202, 204–209

## B

- Bargaining power, 77, 78, 80–85, 99, 103
- Better Life Index, 194, 195
- Breadwinners, 137
- Burial-friendship, 10, 165

## C

- Center for Social Well-being Studies, Senshu University, 52
- Cherry blossom burial, 10, 165, 166
- Child care, 77, 81, 85, 87, 94, 96, 98, 99, 102–104, 119
- Child poverty, 42
- China, 7, 11, 50, 79, 152, 171, 175, 176, 178–188, 190
- City, 6, 52, 57, 59, 85, 87, 94, 96, 98, 99, 102, 114, 116, 118, 153, 160, 161
- Cohort, 8, 15, 16, 18–20, 23, 26, 33, 35, 37, 38, 81
- Collective effervescence, 6
- Communal grave, 10, 165
- Confluent love, 174

- Confucian, 151–153, 155, 157, 159, 172, 173, 189

- Conservatism, 137
- Corporate expatriates, 194

## D

- Dependency, 133, 137, 145–147
- Disaster, 12, 193, 194, 197–199, 204–210
- Discretionary activity, 108, 112, 113, 123, 128

## E

- East Asia, 171, 173, 175–177, 182, 188, 189
- East Asian Social Survey, 171, 176
- Easterlin Paradox, The, 7, 17
- Economic dependency, 134
- Economist Intelligence Unit, 3
- Emotional work, 175
- Empowerment, 4, 204
- Environmental risks, 12, 205, 208, 210
- Equal Employment Opportunity Law, 204
- Equivalized income, 53, 55–57, 59, 64, 70

## F

- Familial bonds, 10
- Family headmanship, 160
- Financial support, 10
- First difference estimation, 82
- Fixed-effect model, 82
- France, 3, 128

## G

- Gender difference, 18, 34, 36, 41, 182
- Gender gap, 41, 189
- Gender Inequality Index, 174, 196, 203, 204
- Gender role, 37, 41, 92, 104, 128

- Gendered scripts, 175  
 Germany, 7, 128, 135–137, 210  
 Gini coefficient, 50, 135, 141–143  
 Global Gender Gap Index, 203  
 Grave-friends, 11, 165, 166
