Acknowledgements

Thanks are due to a large number of people who have provided advice, support and friendship throughout the research and writing up of this book. From my time at the University of Liverpool, where the idea for this research was conceived, I would like to particularly acknowledge the help provided by Prof. Ken Roberts, Prof. Gerard Delanty, Dr Roger Levermore, Prof. Steven Miles, Dr Palash Kamruzzaman, Dr Matthew David, Dr Dave King, Dr Paul Jones, Dr Gabe Mythen, Dr Jason Powell, David Pritchard and Dr Rory Miller. I would like to recognise the support and collegiality provided by all my colleagues from the 'Social Sciences of Sport and Leisure' subject group at Leeds Metropolitan University, from where I penned most of this text, but particular notes of thanks are due to Prof. Jonathan Long, Dr Karl Spracklen, Dr Brett Lashua, Dr Aarti Ratna and my 'grumpy mate' Dr Dave O'Brien. I look forward to future working collaborations at Durham University, where I have recently taken up post, but would like to record my gratitude towards Prof. Richard Giulianotti, Dr Laura Kelly and Mark Edwards who have already demonstrated what excellent colleagues they are.

In the wider circle of academics, I would like to offer thanks to Prof. Anthony King, Prof. John Hughson, Dr Joel Rookwood, Dr Dan Burdsey, Dr Paul Gilchrist, Dr Tom Clark and George Poulton who have all offered excellent advice and/or listened patiently during the current lifespan of this project. More than anyone else in the academy, I would like to thank the 'Sport in a Global Society' series co-editor, Prof. Stephen Wagg, for his strong support and guidance in the writing and completion of this monograph.

Of course, any mistakes or inaccuracies detailed in the text are entirely my own.
