*To my lovely daughter Millie – I hope you'll be more impressed with my book
than you were with my first TV appearance – watching the Teletubbies instead!
And to Barry, who couldn't believe his luck when I started writing instead of
talking for a living but put up with months of book writing
while pouring me endless glasses of wine*

A huge thank you to everyone who gave up their time to be interviewed for this book, and especially those of you who kindly rescheduled when I was in bed with flu for most of December and had to cancel interviews because I could barely talk – a rare occasion indeed! There are too many people who have been interviewed, or have sent information or copies of books, answered questions and given permission for me to take extracts from their websites to mention, but thanks to you all. Hopefully you'll all rush out to buy a copy to see your quotes and advice in print.

Thanks too, to my wonderful friends who, on hearing I was writing this book, sent me cuttings of newspaper articles, suggested names for interview and put up with hearing detailed weekly updates on how the book writing was progressing. Thanks also to my Mum and Dad who over numerous cups of coffee came up with endless names and suggestions for interview – better stop thanking everyone now or you'll all expect a consultancy fee!
