Acknowledgments

I would like to thank everyone who supported this project over the course of its development. I could not have written this without the support and inspiration my family gave me and I dedicate this book to them. I'd like to thank my graduate school comrades from the New School and the faculty there, especially Ken Wark, Orit Halpern, Jaeho Kang, Oz Frankel, Shannon Mattern and Dominic Pettman. I also owe my Brooklyn friends deep thanks for putting up with me talking about Zelda and Benjamin all the time. Finally I thank Isabel Castellanos for everything, always.
