Notes on Contributors

John Coyne has worked as an intelligence professional at tactical, operational and strategic levels across a range of public and private sector organizations for almost 20 years. For the past two years, John has performed the duties of Coordinator Strategic Intelligence Services with the Australian Federal Police. He has published several articles in the field of law enforcement intelligence, strategic intelligence, organized crime and fear of crime. His research interests include strategic intelligence in law enforcement intelligence, transnational organized crime and the application of intelligence in support of law enforcement. Coyne's professional and academic work has been formally recognized through a number of honours and awards including the Winston Churchill Trust's Winston Churchill Fellowship and the St James Ethics Centre's Vincent Fairfax Fellowship.

Peter Bell is Senior Lecturer at the School of Criminology and Criminal Justice, Griffith University, Australia. Bell is the author of *Policing Transnational Organized Crime (TOC) & Corruption: Exploring the Role of Communication Interception Technology*. He has more than 30 years of operational experience in combating TOC and has published extensively on the topic. Bell has held senior intelligence positions with various law enforcement organizations, including the Australian Bureau of Criminal Intelligence (ABCI), the Queensland Police Service (QPS) and the Organized Crime Agency of British Columbia (OCABC). He has also provided consulting and intelligence training services to various international law enforcement agencies

including the Royal Canadian Mounted Police (RCMP), the Royal Thai Police, the Indonesian National Police (INP), the Beijing Olympic Security Team, the Saudi Arabia Police Service and the Abu Dhabi and Dubai Police Services. In 2002, Bell was retained by the Canadian Standing Committee on National Defense on matters pertaining to Waterfront Organized Crime in Canada.
