

PART III

THOSE WHO SAY IT CAN'T BE DONE SHOULD GET OUT OF THE WAY OF THOSE DOING IT!

There is a Chinese proverb that goes something like this, “Those who say it can’t be done should get out of the way of those doing it.” This next section provides the key information necessary for establishing a manufacturing plant on the ground in China so others can “get out of the way.” It concerns sourcing new equipment from China or importing used equipment from the United States, design institutes, construction companies, and finally, actually constructing your building from getting a work permit (not simple!) to the building installation itself.
