New York, New York, USA

Leonard Harris  
Purdue University  
West Lafayette, Indiana, USA

The *African American Philosophy and the African Diaspora* Series publishes high quality work that considers philosophically the experiences of African descendant peoples in the United States and the Americas. Featuring sing-authored manuscripts and anthologies of original essays, this collection of books advance the philosophical understanding of the problems that black people have faced and continue to face in the Western Hemisphere. Building on the work of pioneering black intellectuals, the series explores the philosophical issues of race, ethnicity, identity, liberation, subjugation, political struggles, and socio-economic conditions as they pertain to black experiences throughout the Americas.

*With love, to Stephanie*  
*With deepest gratitude, to Leonard Harris*  
*To whom much is given, much is required*

## ACKNOWLEDGMENTS

I must, of course, begin by thanking the Moorland-Spingarn Research Center at Howard University; their dedication to the preservation of not only Alain Locke's intellectual legacy, but many others, as well as to African American intellectual history is invaluable. I owe special thanks to Mrs. Joellen El Bashir, who was committed to supporting this project early on, and remained a powerful advocate all the way through, and my sincerest gratitude to the Interim Director Dr. Clifford Muse Jr. and all the staff. This project was supported in part by the Faculty Fellowship Publication Program of the City University of New York. I am indebted to the members of my writing group in that program, Suha Kudsieh, Isaac Xerxes Malki, Karen Shelby, Jacob Krammer, Lisa Pope Fisher, and our faculty mentor, Moustafa Bayoumi. I am extremely grateful to Jean Beauchamps and Joel Armstrong for their tremendous help in translating the second lecture.

I, of course, owe a tremendous debt of gratitude to my partner, Stephanie Browning, for her unfailing love and support, and who was always there to keep me focused and working to finish the book. Finally, I owe a debt of thanks to Leonard Harris, without whom this project would not have been possible, and who no doubt through the many conversations he had with me about the project made it better than it otherwise would have been.

# CONTENTS

<b>Introduction</b>	<b>1</b>
<b>Part I The Negro's Contribution to the Culture of the Americas</b>	<b>7</b>
<b>Lecture 1: Race, Culture, and Democracy</b>	<b>9</b>
