

# Investigating Social Issues

**ECONOMICS TODAY**  
Edited by Andrew Leake

The *Economics Today* series surveys contemporary headline topics in applied economics. Each book in the series is written by an expert in the field in a style that is fluently readable. It serves the student of introductory economic principles while also making the subject accessible to a more general reader. The series embraces the problem-solving skills of the new generation of students and stresses the importance of real-world issues and the significance of economic ideas.

*Published*

Andrew Leake: **The Economic Question**

Jean-Louis Barsoux and Peter Lawrence: **The Challenge of British Management**

S. F. Goodman: **The European Community**

Jenny Wales: **Investigating Social Issues**
