## ACKNOWLEDGEMENTS

Thank you, Shaun Vigil and Glenn Ramirez at Palgrave, for your support and patience with my busy schedule and slow work.

Thank you, Kim Zarkin, David Deeley, Dom Caristi, Paul MacArthur, Heather Polinsky, and Kevin Johnson, for welcoming me into the law and policy division at BEA.

Thank you, Jack Bratich, Dave Karpf, and Greg Seigworth, for reading older versions of parts of this book in my dissertation.

Thank you, Susan Keith, for being an amazing advisor during my doctoral years, reading multiple drafts of a very long dissertation, and remaining a supportive friend and colleague in the years since I finished my Ph.D.

Thank you, Abigail, Daniel, and Luke, for providing happy interruptions to my work on this book, and for being great kids.

Most of all, thank you, Joanna. I've said it a million times and I'll say it for the rest of my life. Everything good that I have, I have because of you. You made the work of completing this project possible and I dedicate it and everything I do, to you.
