Innovation in Medicine and Healthcare (KES-InMed-18) Introduction

The 6th KES International Conference on Innovation in Medicine and Healthcare (InMed-18) was held on 20–22 June 2018 in Gold Coast, Australia, organized by KES International. All submissions were carefully reviewed by at least two reviewers of the International Program Committee. Finally 11 papers were accepted to be presented as chapters in this book.

The major areas include:

- (1) Digital Architecture for Internet of Things, Big data, Cloud and Mobile IT in Healthcare;
- (2) Advanced ICT for Medical and Healthcare.

The chapters contained here form an informative and useful snap-shot of the state of the art in this subject.
