Foreword

This book is my PhD thesis which I defended at University College London in January 2005. I would like to express my gratitude to my supervisor, Professor Eileen Denza, for introducing me, already during my LLM, to a subject which has proven to be a most interesting and rewarding topic of research, and for having been so supportive and encouraging throughout my PhD and afterwards.

I am grateful to my PhD examiners, Professor Marise Cremona and Professor Alan Dashwood, for their helpful suggestions on how to improve the thesis for publication.

I would like to thank Professor Elspeth Guild, Mr. Gérard Beaudu from DG JHA of the European Commission, and Mr. Nick Baird from the Foreign & Commonwealth Office for discussing visa policy with me.

I would also like to thank the Arts and Humanities Research Board (AHRB) for their funding.

Last but not least, I would like to thank Alfredo, Angela and Antonella Meloni for all their moral and financial support throughout my PhD.
