Preface

It is our pleasure to welcome you to the proceedings of the 2011 International Symposium on Applied Economics, Business and Development (ISAEBD 2011) which was held in Dalian, China. ISAEBD 2011 was the first conference dedicated to issues related to applied economics, business and development. This conference aims to provide a high-level international forum for researchers to present and discuss the recent advances in related issues, covering various research areas including economics, management, education and its applications.

The conference is sponsored by the Hong Kong Education Society, International Material Science Society and Information Engineering Research Institute. Their support is very important for our conference.

The conference was both stimulating and informative with an interesting array of keynote and invited speakers from all over the world. Delegates had a wide range of sessions to choose from.

The program consisted of invited sessions, technical workshops and discussions with eminent speakers covering a wide range of topics in applied economics, business and development. This rich program provided all attendees with the opportunity to meet and interact with one another.

We would like to thank the organization staff, the members of the Program Committees and the reviewers for their hard work.

We hope the attendees of ISAEBD 2011 had an enjoyable scientific gathering in Dalian, China. We look forward to seeing all of you at the next ISAEBD event.
