

New Perspectives on Chinese Politics and Society

Series Editor
Yang Zhong
Shanghai Jiao Tong University
Shanghai, China

Rapid growth has posed new challenges for sustainable political and economic development in China. This series is dedicated to the study of modern Chinese politics and society, drawing on case studies, field work, surveys, and quantitative analysis. In addition to its empirical focus, this series will endeavour to provide unique perspectives and insights by publishing research from scholars based in China and the region. Forthcoming titles in this series will cover political culture, civil society, political economy and governance.
