# Acknowledgements

This book is a product of a series of international symposiums held at Osaka University from 2014 through 2017, which were financed by Osaka University's International Joint Research Promotion Program Grant, Osaka University International Symposium Grants, and Osaka University International Joint Meetings Grants. I have also been supported financially through the Osaka University International Joint Research Promotion Program Grant (Type B), the Osaka University Research University Promotion Grant I, Grants-in-Aid for Scientific Research by the Japan Society for the Promotion of Science, and the National Banks Academic Research Promotion Fund. Numerous archives and libraries have given me assistance. I would like to express my gratitude for their dedicated work. I am immensely indebted to my major professors Matsuda Takeshi (President of Kyoto University of Foreign Studies), late Aruga Tadashi (Professor Emeritus, Hitotsubashi University), and Thomas J. McCormick (Professor Emeritus, University of Wisconsin–Madison).

I would like to extend my appreciation to reviewers of the final manuscript of this book for their critical as well as constructive comments and suggestions.
