

# **SpringerBriefs in Education**

We are delighted to announce SpringerBriefs in Education, an innovative product type that combines elements of both journals and books. Briefs present concise summaries of cutting-edge research and practical applications in education. Featuring compact volumes of 50 to 125 pages, the SpringerBriefs in Education allow authors to present their ideas and readers to absorb them with a minimal time investment. Briefs are published as part of Springer's eBook Collection. In addition, Briefs are available for individual print and electronic purchase.

SpringerBriefs in Education cover a broad range of educational fields such as: Science Education, Higher Education, Educational Psychology, Assessment & Evaluation, Language Education, Mathematics Education, Educational Technology, Medical Education and Educational Policy.

SpringerBriefs typically offer an outlet for:

- An introduction to a (sub)field in education summarizing and giving an overview of theories, issues, core concepts and/or key literature in a particular field
- A timely report of state-of-the art analytical techniques and instruments in the field of educational research
- A presentation of core educational concepts
- An overview of a testing and evaluation method
- A snapshot of a hot or emerging topic or policy change
- An in-depth case study
- A literature review
- A report/review study of a survey
- An elaborated thesis

Both solicited and unsolicited manuscripts are considered for publication in the SpringerBriefs in Education series. Potential authors are warmly invited to complete and submit the Briefs Author Proposal form. All projects will be submitted to editorial review by editorial advisors.

SpringerBriefs are characterized by expedited production schedules with the aim for publication 8 to 12 weeks after acceptance and fast, global electronic dissemination through our online platform SpringerLink. The standard concise author contracts guarantee that:

- an individual ISBN is assigned to each manuscript
- each manuscript is copyrighted in the name of the author
- the author retains the right to post the pre-publication version on his/her website or that of his/her institution

## About the Editor

**Fernando M. Reimers** is the Ford Foundation Professor of the Practice of International Education and Director of the Global Education Innovation Initiative and of the International Education Policy Master's Program at Harvard University. Being an expert in the field of Global Education, his research and teaching focus on understanding how to educate children and youth so they can thrive in the twenty-first century. He is a member of UNESCO's high-level commission on the Futures of Education.

Recent books include *Teaching and Learning for the twentyfirst Century*, *Preparing Teachers to Educate Whole Students: An International Comparative Study*, *Letters to a New Minister of Education*, *Learning to Improve the World*, *Empowering Global Citizens*, *Empowering Students to Improve the World in Sixty Lessons. Version 1.0*, *Learning to Collaborate for the Global Common Good*, *Fifteen Letters on Education in Singapore*, *Empowering All Students at Scale*, and *One Student at a Time. Leading the Global Education Movement*.

He serves on the Massachusetts Board of Higher Education, where he chairs the strategic planning committee, and serves on the board of directors of multiple education organizations, including *Facing History and Ourselves*, *Teach for All*, *World Teach*.

In 2019, he received a Centennial Medal from the International Institute of Education for his work advancing international education. In 2017, he received the Global Citizen Award from the Committee on Teaching about the United Nations for his work advancing global citizenship education. In 2015, he was appointed the C. J. Koh Visiting Professor of Education at the National Institute of Education in Singapore in recognition of his work in global education. He received an honorary

doctorate from Emerson College for his work advancing human rights education. He is a fellow of the International Academy of Education and a member of the Council of Foreign Relations.
